
Scholarship Opportunity for Mechanical Engineering Student/s

*In Loving Memory of **Elshadai Getnet***

Second-Year Engineering Student, Texas A&M University

To honor the memory of **Elsh Getnet**, a second-year **Engineering** major at Texas A&M University, Elsh's family is offering **scholarship** to support student/s pursuing a degree in **Mechanical Engineering**.

This assistance aims to recognize student/s who demonstrate academic promises and need for financial support to continue their studies in the field Elsh was deeply passionate about.

Eligibility Criteria:

- Must be enrolled in a **Mechanical Engineering** program as a full-time student.
- Must have successfully **completed the first academic year**.
- Must demonstrate **financial need** and academic commitment.

Application Requirements:

Please include the following in your application:

1. A personal statement outlining your educational background, career aspirations, and reason for choosing to study Mechanical Engineering.
2. A brief statement outlining your **family background** and **financial need**.
3. A copy of your **first-year academic transcript**.

Application Deadline: 10/31/2025

Applications will be thoughtfully reviewed by Elsh's family, and selected recipient/s will be contacted directly. Please include your contact information.

Submission Instructions:

Send your completed application by email to: GETB@HOTMAIL.COM

Sincerely,

The Family of Elsh Getnet
